Leveling up how we serve you

Spring is a time to look ahead and get ready for what's next. From seasonal loan opportunities to important member updates, here's what's happening at M1.

NEW LOW RATE
3.99%

Hit the road with limited-time loan rates

Take advantage of rates as low as 3.99% on auto, boat, RV, and motorcycle loans. If a new ride or summer adventures are in your plans, now is the time to explore your options.

Must-do summer projects ahead?

Good weather means finally getting to those home repairs, renovations, and weekend projects, but before jumping in, it helps to separate must-do items from

nice-to-have upgrades.

Prioritizing the most important work first can help you stay on track and keep your budget in a comfortable place. And when you're ready, we've got options to help you finance the smart way.

Investing in our team, for you

This quarter, our team came together for a dedicated training day focused on learning, collaboration, and member service. From strategic planning updates to new ways to support you, each session was designed to help us keep showing up with the care, knowledge, and understanding you count on.

Looking forward, together

As the season continues, we're excited for all that's ahead, and grateful to be part of your financial journey. Thank you for being part of M1. We look forward to serving you, supporting you, and staying connected in the months to come.
